

Welcome Back to Ashburn Children's Dentistry!

Here's how we are keeping you safe while keeping your smile healthy!

Same Friendly Faces - New Look!

As part of the COVID19 protocol, we will be dressed in additional protective gear when you arrive for your next visit.

Face Mask

We kindly ask all individuals to wear a face mask when visiting the office. We don't make the rules, we just follow them!

Screenings

Parents will need to complete a COVID19 wellness questionnaire prior to their child's appointment. We will check temperature and re-screen parents, patients, and team members upon arrival.

Virtual Concierge Reception

Text when you arrive and you will be instructed for when it is ok to proceed inside for check-in. Please remain in your car until you are instructed to come inside. Ensure you have text messages enabled, so we are able to reach you.

Hand Sanitizer

Hand sanitizer will be available throughout the office, please sanitize your hands often.

LoRinse™ Professional Dental Rinse

A special pre-rinse will be given to each patient age 6 yrs and above, to gargle before treatment.

One parent Permitted

Only patients with appointments and one parent/guardian are permitted into the office, unless additional assistance is required.

Stay Home when Sick

Please reschedule your child's appointment if anyone in your household has been sick in the last 2 weeks

Reception area will look different

We want you to feel welcome and safe. Our reception area will be cleared of non-essential items. Chairs have been placed a safe distance apart and all surfaces are regularly disinfected.

We thank you for your patience and understanding.
Please call or text us at **703-723-8440**.
